- **Amount:** \$5 000 - \$50 000
- **Term:** 1 - 7 years

The screenshot shows the ANZ website's page for a Variable Rate Personal Loan. The header includes the ANZ logo, navigation links for Personal, Business, and Institutional, a search bar, and a Log in button. Below the header, there's a breadcrumb trail: Personal / Personal loans / Variable rate loan. The main heading is "ANZ Variable Rate Personal Loan". A subheading states: "Enjoy the flexibility of an ANZ Variable Rate Personal Loan, which may help you take control and reach your goals." Two key features are listed: "Apply to borrow between \$5,000 and \$50,000" and "Get a loan term of 1 to 7 years". A "Jump to" section lists links for "Variable interest rate", "How to apply", "Fees and charges", "Get started online", "Loan and repayment calculators", and "Frequently asked questions". On the right side, there is a photograph of two men, one older and one younger, looking at a document together in what appears to be a vehicle or a workshop setting. At the bottom, the section "Our interest rates" is partially visible.
