The screenshot shows the CashPal website interface. At the top, there is a navigation menu with links for HOME, COSTS, HOW IT WORKS, CASH LOAN FAQ'S, BLOG, CONTACT US, and an APPLY NOW button. The main heading is "Quick Cash Loans" with the subtext "Let us help you find a lender". Below this, there is a form with two input fields: "LOAN AMOUNT" set to \$300 and "AUD" as the currency, and "REPAYMENT" set to 12 months. There are three repayment frequency options: WEEKLY (\$9.67), FORTNIGHTLY (\$19.33), and MONTHLY (\$42). A "GET STARTED" button is visible. On the right side, there is a "Our Customers" section with a Google Plus logo and a Trustpilot logo with a "Leave us a review" button. A warning message at the bottom states: "WARNING: This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate with the lender that finances your loan."

A representative example

Loan amount \$300 borrowed and fully repaid after 12 months of using the loan. Total amount payable = \$504. The fee would be \$204.
