A small icon of a person is next to the \$5,000 mark, with a button that says 'Online - Click here to get help'.

A representative example

By way of example, a loan of \$3000 over a 3 month period would have an establishment fee of \$400 and interest charges of \$275.60. The total repayable is therefore: $\$3000 + \$400 + \$275.60 = \3675.60 . Your monthly repayment amount is therefore \$1,225.20.
