## Westpac Home Loan

### Quick overview

- **Amount:** \$10 000 - \$1 000 000
- **Term:** 3 - 30 years

The screenshot shows the Westpac website's mortgage repayment calculator. The header includes the Westpac logo, navigation links (Home, Personal, Business, Corporate, About us, Help), and a search bar. The main content area features a large image of a smiling couple and the title "Mortgage Repayment Calculator". Below the title is a brief description: "Use our mortgage repayment calculator as a guide to what your repayments could be on your new home loan." A "Request a call back" button is visible. The calculator form includes fields for "I would like to borrow" (set to \$ 999999), "I would like to buy" (with options "To live in" and "An investment"), and "Over a loan term of" (set to 10 years).

### A representative example

Loan amount \$10 000 borrowed and fully repaid after 3 years of using the loan. Total amount payable = \$10 428. The fee would be \$428.
